3. **PREMIUMS**

This section explains about the calculation, adjustment and payment of **premium**.

3.1 **Calculation of premium**

3.1.1 **Unum** will calculate the **premium** due for each **policy accounting period**, taking into account all relevant factors, including:

- (a) The sum of all the **benefits** in respect of all **members** on the first day of the **policy accounting period**.
- (b) Any non-standard **premium** loading.
- (c) The **premium rate** or **premium rates** then in effect.
- (d) The **minimum premium**.

Unum will notify the **policyholder** in writing of the **premium** calculated under this section.

minimum premium means the minimum amount of **premium** which will be charged for a **policy accounting period**. The **minimum premium** applicable to this **policy** shall be £750 per annum or such other amount as **Unum** shall decide and notify to the **policyholder** in writing.

3.1.2 The **policyholder** shall be required by **Unum** to provide information as at the **policy accounting date** and the day immediately preceding the **policy accounting date**.

The information provided as at the day immediately preceding the **policy accounting date** shall be applied in order to calculate the **premium** payable in respect of the **policy accounting period** ending on that date.

The information provided as at the **policy accounting date** shall be applied to calculate the **premium** payable in respect of the **policy accounting period** commencing on that date.

Failure to provide the requested information within 2 months of the **policy accounting date** shall give **Unum** the right to:

- (a) vary the terms and provisions of this **policy**, or
- (b) terminate the **policy**, or
- (c) take such other action as **Unum** determines to be appropriate including varying the level of **benefits**, the eligibility of an individual to be a **member**, or
- (d) refuse to pay any new claim notified whilst the requested information remains outstanding.

by giving 30 days written notice to the **policyholder**.

If payment of **premium** is not forthcoming **Unum** may commence debt collection proceedings against the **policyholder** in accordance with paragraph 3.6.

Premium will be paid in pounds sterling (or, if different, the lawful currency of the United Kingdom) to **Unum's** head office, or at such other place as **Unum** may direct.

3.3 Deposit premium

Before calculating the **premium** under paragraph 3.1, **Unum** may calculate a deposit **premium** for any **policy accounting period**. The deposit **premium** will be based on such information as **Unum** may have, including **Unum's** estimate of the total **benefit** in respect of all **members** and prospective **members**, the appropriate **premium rate** applicable to the **policy**, and any other relevant matters. Use of any estimate or assumption by **Unum** will not prevent **Unum** using a different figure or rate when it finally establishes the **premium** due.

After the calculation of the actual **premium** for this **policy**, then:

- (a) if the deposit **premium** for any **policy accounting period** proves to have been more than the **premium**, **Unum** will refund the excess to the **policyholder**, or
- (b) if the deposit **premium** for any **policy accounting period** proves to have been less than the **premium**, **Unum** will provide the **policyholder** with an invoice detailing the amount of the deficit and of the date or dates of payment.

Where a refund of **premium** is payable, **Unum** may apply the refund to set off premiums due under another policy of the **policyholder** with **Unum**. **Unum** will give the **policyholder** 14 days notice in writing of the intention to apply a refund to another policy.

3.4 Adjustment of premium

Unum may at any time during the **policy accounting period** (but normally at the next **policy accounting date**) calculate an adjustment to the **premium** to take account of any changes occurring during any previous **policy accounting period**. Such changes would include, for example, any change in the **benefit** in respect of any **member**, or the number of **members**.

The **policyholder** will notify **Unum** in writing as soon as reasonably practical of any such changes. **Unum** will notify the **policyholder** of any additional **premium** to be paid, or of any refund to be made to the **policyholder**.

No refund of **premium** will be due to the **policyholder** for the non-coverage of any **member** who has acted in breach of the **policy** provisions or not provided requested evidence of insurability.

Where a refund of **premium** is payable, **Unum** may apply the refund to set off premiums due under another policy of the **policyholder** with **Unum**. **Unum** will give the **policyholder** 14 days notice in writing of the intention to apply a refund to another policy.

3.5 Premium rate revision

The **premium rate** is guaranteed from the **effective date** until the **policy review date**, except as provided in paragraph 3.5.1. After this time, **Unum** may revise the **premium rate**. The **policy review date** is stated in the **schedule**.

In accordance with paragraph 7.1, **Unum** reserves the right to vary the terms and conditions of this **policy** at any time the **premium rate** is revised.

3.5.1 Changes allowing early revision of the premium rate

Unum reserves the right to revise the amount of the **premium rate** at any time if:

- (a) the number of **members** or the total **benefit** in respect of all **members** is changed by more than 25% from that notified to **Unum** for the **effective date** or **policy accounting date** at which the **premium rate** was determined, or
- (b) either the **benefit** formula or the **terminal age** is changed (where **benefit** is limited to a monetary amount a change to this amount of 10% or less since the previous **policy accounting date** will not be treated for the purpose of this paragraph as a **benefit** formula change), or
- (c) the **eligibility conditions** are changed, or
- (d) a new **employer** is approved by **Unum** and the **policyholder** or an existing **employer** ceases to be approved (see definition of **employer**), or
- (e) in the opinion of **Unum** there has been a significant overall change in the occupations of the **members** or where they work, or
- (f) in the opinion of **Unum** there has been a major change in the level or basis of the tax system, or a change in legislation.

If in the opinion of **Unum** there has been a material change in the inception data from the data that was provided for the quotation, then **Unum** reserves the right to change the **premium rate** at the **commencement date**.

Unum further reserves the right to cease calculating the **premium** using a **unit rate** at the **policy accounting date** on which, or next following which, the number of **members** covered under the **policy** falls below 20.

3.5.2 The revised premium rate

At the **policy review date** or the date that paragraph 3.5.1 is effected, the information provided in accordance with paragraph 3.1 shall be applied by **Unum** to determine the **premium rate** to apply from that date. The revised **premium rate** will be guaranteed for such period, if any, that **Unum** may decide.

If as a result of such determination the **premium rate** is revised, and a revised **premium** is payable, any further amount due from the **policyholder** shall be calculated having regard to any **premium** already paid.

Unum shall be entitled to the **premium** according to the revised **premium rate** retroactively from the **policy review date** or the date that paragraph 3.5.1 is effected. The **policyholder** may provide **Unum** with data as at a date no more than 3 months prior to the **policy review date** or the date that paragraph 3.5.1 is effected, for the purposes only of **Unum** determining the revised **premium rate** to apply from that date.

3.6 Ceasing to pay premiums

In the event of the **policyholder** ceasing to pay **premiums** or part of a **premium**, interest applicable or any sum which is payable, or in the event of the **policyholder** ceasing to be entitled to pay **premiums** under the **policy**, **Unum** shall have the right to terminate this **policy**. **Unum** will give the **policyholder** 14 days notice in writing of the intention to terminate.

The **policyholder** ceasing to pay **premiums** does not terminate this **policy**. The **policyholder** is entitled to terminate this **policy** at any time by giving **Unum** notice in writing in advance, in accordance with paragraph 7.3.

Any outstanding **premiums** in respect of cover provided up to the date of termination of this **policy** will remain due.

Unum reserves the right to charge interest (of the Bank of England base rate plus 3%) and a reasonable administrative charge for late payment of any **premium**, or part **premium**, even if **Unum** has agreed not to deem the **policy** to have terminated.

Unum reserves the right to revise the **premium rate** and vary the terms and conditions of this **policy** when a **discretionary opt-out** is requested.

Admission to membership after being a **discretionary opt-out** shall be subject to the same rules and conditions applicable to a **discretionary entrant**.

- (b) terminate the **policy**, or

- (c) take such other action as **Unum** determines to be appropriate which may include reducing the **free cover limit**, varying the levels of **benefits**, the eligibility of individuals to be **members**, or
- (d) refuse to pay any new claim notified whilst the requested information remains outstanding.

by giving 30 days written notice to the **policyholder**.

4.3 **Free cover limit**

Free cover limit means a level of **benefit** which will be provided in respect of a **member** regardless of their insurability provided they are otherwise eligible to become a **member**, except in the particular circumstances in this **policy** where it is said the **free cover limit** will not apply (here in paragraph 4.3 and in paragraphs 4.1.3, 4.5.2, 4.6.6 and 4.6.7).

The level of the **free cover limit** will be determined by **Unum** from time to time and notified in writing to the **policyholder**. **Unum** may withdraw the **free cover limit** if the **policyholder** does not strictly adhere to the **eligibility conditions** of the **policy**.

If **Unum** determines that the **free cover limit** shall be reduced (including to nil), the level of **benefit** which applied to a **member** before the reduction becomes effective shall continue to apply on no worse terms. The **free cover limit** is reduced to nil automatically if there are fewer than 5 **members** covered under the **policy**.

If **Unum** determines that the **free cover limit** shall be increased, the increased level will not apply to any **benefit** in respect of a **member** where **benefits** are already subject to any special or restricted terms.

When assessing whether the amount of **benefit** exceeds the **free cover limit**, **benefit** will be the total **benefits** in respect of the **member** under this **policy** and any **associated policies benefit**. Any **benefit** paid in the form of an annuity will be converted to an equivalent lump sum as determined by **Unum** and included in the assessment.

The **free cover limit** does not apply to any **member** in an **eligibility category** with fewer than 5 **members**.

4.4 **Temporary cover pending underwriting**

Cover for **benefits** being underwritten will be provided in respect of **death as a result of an accident**. The cover is provided for a period of 2 months (or earlier completion of underwriting) from the date he is eligible to become a **member** or is eligible for a **benefit** increase, as appropriate, subject to the following conditions:

- (a) there are 5 or more **members** covered or to be covered under the **policy**;
- (b) the **member** is **actively at work**;
- (c) the **member** is not a **discretionary entrant, early entrant, late entrant** or an **extended cover member**;
- (d) the **member** is not already subject to any special or restricted terms.

Temporary cover is limited so the total **benefit** does not exceed £3,000,000 (or such other amount as **Unum** shall decide and notify to the **policyholder**). When assessing whether the amount of **benefit** exceeds £3,000,000, **benefit** will be the total **benefits** in respect of the **member** under this **policy** and any **associated policies benefit**. Any **benefit** paid in the form of an annuity will be converted to an equivalent lump sum as determined by **Unum** and included in the assessment.

Death as a result of an accident means death directly or indirectly as a result of accidental or violent, visible and external means. This shall be deemed to include death as a result of assault upon the **member**.

4.5 Previously insured

4.5.1 Previously insured not on an identical basis

If immediately prior to the **commencement date** the **members** were insured under a group life assurance policy but not on an identical basis to this **policy**, then they will be regarded as new **members** and covered in accordance with either paragraph 4.6.1 or 4.6.2, as appropriate.

The **free cover limit** will not apply to a **member** where the previous insurer accepted any **benefit** subject to a medical rating, or declined or restricted the **benefit** or postponed acceptance of **benefit** in their respect.

4.5.2 Previously insured on an identical basis

If immediately prior to the **commencement date** the **members** were insured under a group life assurance policy on an identical basis to this **policy**, then **Unum** will accept the previously insured level of **benefit** in respect of a **member** on medical underwriting terms that are no worse than those provided by the previous insurer, subject to the following provisions:

- (a) **Member** accepted by the previous insurer at ordinary rates following medical underwriting.

Unum will accept the previously insured level of **benefit** at ordinary rates.

Any increase over the previously insured level of **benefit** will be medically underwritten in accordance with paragraph 4.6.3, 4.6.4 or 4.6.5, as appropriate.

- (b) **Member** accepted by the previous insurer at ordinary rates where medical underwriting was not required.

Unum will accept the previously insured level of **benefit** at ordinary rates up to the previous insurer's free cover limit or up to 125% of the **free cover limit**, if lower. Any excess **benefit** will be underwritten as an increase in accordance with paragraph 4.6.5.

Any increase over the previously insured level of **benefit** will be medically underwritten in accordance with paragraph 4.6.3, 4.6.4 or 4.6.5, as appropriate.

- (c) **Member** accepted by the previous insurer with any of the **benefit** subject to a medical rating.

Unum will accept the previously insured level of **benefit** on medical underwriting terms that are no worse than those provided by the previous insurer, subject to:

1. **Unum** will accept at ordinary rates any portion of the **benefit** accepted by the previous insurer at ordinary rates where medical underwriting was not required up to the previous insurer's free cover limit or up to 125% of the **free cover limit**, if lower. Any excess **benefit** will be subject to the highest medical rating applied to the **member**.
2. Where any part of the **benefit** had a previous medical rating greater than +400% extra mortality, **Unum** will require evidence of the **member's** insurability for this part of the **benefit** for **Unum** to consider whether to grant cover.
3. Any increase over the previously insured level of **benefit** will be medically underwritten, the **free cover limit** and temporary cover pending underwriting do not apply.

The actual monetary amount charged in respect of a medical rating may differ from that used by the previous insurer as underlying premium rates may differ from those used by the previous insurer.

- (d) **Member** had **benefit** declined or restricted, or acceptance of **benefit** was postponed by the previous insurer.

Unum will require evidence of the **member's** insurability for **Unum** to consider whether to grant cover.

- (e) **Member** has **benefits** in excess of the **free cover limit** and their principal residence is outside the European Union.

Unum will require details of the **member's** residence and employment for **Unum** to consider whether to grant cover.

- (f) Maximum levels

Unum will accept previously insured levels of **benefits** up to a maximum of £3,000,000. Evidence of the **member's** insurability shall be required in respect of any **benefit** above £3,000,000 before any cover is granted.

When assessing whether the amount of **benefit** exceeds £3,000,000, **benefit** will be the total **benefits** in respect of the **member** under this **policy** and any **associated policies benefit**. Any **benefit** paid in the form of an annuity will be converted to an equivalent lump sum as determined by **Unum** and included in the assessment.

4.6 Underwriting and granting of **benefit** and **benefit** increases

When an individual is eligible for membership under the **policy** or for a **benefit** increase, they may be required to provide evidence of insurability for **Unum** to consider whether to grant cover.

The evidence of insurability requirements may be affected if the individual was previously insured as provided for in paragraph 4.5.

The different positions applying to **benefit** and to **benefit** increases and depending on how they relate to the **free cover limit**, are set out in the following paragraphs.

- 4.6.1 New **member - benefit** does not exceed the **free cover limit**
- 4.6.2 New **member - benefit** exceeds the **free cover limit**
- 4.6.3 **Benefit** increase and the total **benefit** does not exceed the **free cover limit**

- (c) Temporary cover is provided in respect of the **benefits** which exceed the **free cover limit** for up to 2 months from the date of becoming a **member**, provided the **member** is **actively at work**. (The conditions of temporary cover pending underwriting are set out in paragraph 4.4.)
- (d) Temporary cover ceases after 2 months if assessment of the **member's** insurability is not completed.
- (e) **Benefits** granted by **Unum** after assessment of the **member's** insurability are fully covered, unless stated in the acceptance notification.
- (f) No cover is provided in respect of the **benefits** which exceed the **free cover limit** immediately **Unum** decline to insure any **benefit**.

- (d) Temporary cover is provided in respect of the **benefits** which exceed the **free cover limit** for up to 2 months from the effective date of the **benefit** increase, provided the **member** is **actively at work**. (The conditions of temporary cover pending underwriting are set out in paragraph 4.4.)
- (e) Temporary cover ceases after 2 months if assessment of the **member's** insurability is not completed.
- (f) **Benefits** granted by **Unum** after assessment of the **member's** insurability are fully covered, unless stated in the acceptance notification.
- (g) No cover is provided for the **benefit** which exceeds the **free cover limit** if **Unum** decline to insure them.

4.6.5 **Benefit increase and the existing benefit exceeds the free cover limit**

- (a) Existing **benefits** remain covered on the existing terms.
- (b) Evidence of insurability is required for the increase in **benefit**, unless **Unum** determine otherwise.

- (e) **Benefits** granted by **Unum** after assessment of the **member's** insurability are fully covered, unless stated in the acceptance notification.
- (f) No cover is provided in respect of the increase in **benefit** immediately **Unum** decline to insure the increase.

4.6.6 Discretionary entrant or early entrant

A **discretionary entrant** or an **early entrant** may be, or remain, a **member** if the **policyholder** requests and **Unum** have agreed in writing.

- (a) Evidence of insurability is required for the whole **benefit**.
- (b) No temporary cover pending underwriting is provided.
- (c) The **policyholder**, **employer** and the **candidate member**, as appropriate, must meet all of the special conditions or special terms specified in writing by **Unum**.
- (d) **Benefits** granted by **Unum** are fully covered, unless stated in the acceptance notification.
- (e) No cover is provided until **Unum** decide to insure any **benefit**.

An increase in **benefit** in respect of a **discretionary entrant** or **early entrant** will be treated either:

1. Where a **member's benefit** has been accepted by **Unum** subject to special or restricted terms, as in paragraph 4.6.5 (**Benefit** increase and the existing **benefit** exceeds the **free cover limit**) but the **free cover limit** is nil, or
2. Where a **member's benefit** has been accepted by **Unum** without any special or restricted terms, as in paragraph 4.6.5 (**Benefit** increase and the existing **benefit** exceeds the **free cover limit**) with the **free cover limit** applying.

4.6.7 Late entrant

A **late entrant** may be a **member** if the **policyholder** requests and **Unum** have agreed in writing.

- (a) Evidence of insurability requirements depend on when the **candidate member** first had the opportunity to join the **plan**:
1. if less than 6 months after their first opportunity, they are treated as a new **member** as in 4.6.1 or 4.6.2 as appropriate, depending whether **benefit** exceeds the **free cover limit**;
 2. if between 6 and 12 months after their first opportunity, they are treated as a new **member** as in 4.6.1 or 4.6.2 as appropriate, depending whether **benefit** exceeds the **free cover limit**, in this circumstance if the **free cover limit** is greater than £250,000 it is considered to be £250,000;
 3. if more than 12 months after their first opportunity, evidence of insurability is required for the whole **benefit**.
- (b) No temporary cover pending underwriting is provided.
- (c) **Benefits** granted by **Unum** are fully covered, unless stated in the acceptance notification.
- (d) No cover is provided if **Unum** decline to insure any **benefit**.

When assessing whether the amount of **benefit** exceeds £250,000, **benefit** will be the total **benefits** in respect of the **member** under this **policy** and any **associated policies benefit**. Any **benefit** paid in the form of an annuity will be converted to an equivalent lump sum as determined by **Unum** and included in the assessment.

An increase in **benefit** in respect of a **late entrant** will be treated either:

1. Where a **member's benefit** has been accepted by **Unum** subject to special or restricted terms, as in paragraph 4.6.5 (**Benefit** increase and the existing **benefit** exceeds the **free cover limit**) but the **free cover limit** is nil, or
2. Where a **member's benefit** has been accepted by **Unum** without any special or restricted terms, as in paragraph 4.6.3, 4.6.4 or 4.6.5 as appropriate to whether the increased **benefit** exceeds the **free cover limit** and if so whether for the first time.

4.6.8 Extended cover member - selected individuals

If the **policyholder** requests cover to be continued under the **policy** for selected individuals in **service** after the **normal contractual retirement age**, then a selected individual may become an **extended cover member** and is underwritten by **Unum** the same as a **discretionary entrant** as in paragraph 4.6.6.

4.6.9 Extended cover member - provided for all in service

This paragraph explains about becoming an **extended cover member** where the **policyholder** has already requested to **Unum** in writing that cover is to be continued under the **policy** for all in **service** after the **normal contractual retirement age**.

A **member** becomes an **extended cover member** provided each of the following conditions are met:

- (a) the **member** meets the **strict actively at work** requirements on the **normal contractual retirement age**, and;
- (b) the **member** has not had **benefit** declined or restricted, or acceptance of **benefit** has been postponed.

and cover is provided as follows:

1. the portion of the **benefits** up to the **free cover limit** is covered. Cover will cease if the **policyholder** has not notified **Unum** in writing within 2 months of the **normal contractual retirement age** that the **member** meets the **strict actively at work** requirements.
2. Once the **policyholder** has notified **Unum** in writing that the **member** meets the **strict actively at work** requirements, **Unum** will review any existing **benefits** in excess of the **free cover limit**. **Unum** will consider whether to cover this portion of the **benefits** and may request information or further evidence of the **member's** insurability.
3. Evidence of insurability is required in respect of any increase in **benefits** over the existing **benefits**, unless **Unum** determine otherwise.
4. No temporary cover pending underwriting is provided.
5. **Benefits** granted by **Unum** after assessment of the **member's** insurability are fully covered, unless stated in the acceptance notification.

A **member** who does not meet the **strict actively at work** requirements on the **normal contractual retirement age**, may become an **extended cover member** with cover provided as follows:

1. The **policyholder** must notify **Unum** in writing within 2 months of the **normal contractual retirement age** that the **member** does not meet the **strict actively at work** requirements.
2. Evidence of insurability is required for the whole **benefit**.
3. No temporary cover pending underwriting is provided.
4. The **policyholder**, **employer** and the **member**, as appropriate, must meet all of the special conditions or special terms specified in writing by **Unum**.
5. **Benefits** granted by **Unum** are fully covered, unless stated in the acceptance notification.
6. No cover is provided until **Unum** decide to insure any **benefit**.

If the **policyholder** has not notified **Unum** in writing within 2 months of the **normal contractual retirement age** that the individual met the **strict actively at work** requirements, then the individual may subsequently become an

extended cover member and is underwritten by **Unum** the same as a **discretionary entrant** as in paragraph 4.6.6.

A **member** who has had **benefit** declined or restricted, or acceptance of **benefit** has been postponed, does not become an **extended cover member** and cover under the **policy** ceases at the **normal contractual retirement age**. However, where the decision was the result of medical underwriting never having taken place, the **member** may become an **extended cover member** and is underwritten by **Unum** the same as a **discretionary entrant** as in paragraph 4.6.6.

An individual joining **service** after the **normal contractual retirement age** becomes an **extended cover member** and is underwritten by **Unum** the same as a new **member** as in paragraph 4.6.1 or 4.6.2, as appropriate to whether the **benefit** exceeds the **free cover limit**.

An increase in **benefit** in respect of an **extended cover member** will be underwritten by **Unum** either:

1. Where an **extended cover member's benefit** has been accepted by **Unum** subject to special or restricted terms, as in paragraph 4.6.5 (**Benefit** increase and the existing **benefit** exceeds the **free cover limit**) but the **free cover limit** is nil, or
2. Where an **extended cover member's benefit** has been accepted by **Unum** without any special or restricted terms, as in paragraph 4.6.5 (**Benefit** increase and the existing **benefit** exceeds the **free cover limit**) with the **free cover limit** applying.

An **extended cover member** with a contract of employment which concludes on a date between the **normal contractual retirement age** and age 70, can remain an **extended cover member** if they have a new contract of employment to a later date and are **actively at work** on the day after the existing contract of employment concludes. Cover will cease if the **extended cover member** is not **actively at work** on the day after the existing contract of employment concludes, however the individual may subsequently again become an **extended cover member** and is underwritten by **Unum** the same as a **discretionary entrant** as in paragraph 4.6.6.

4.6.10 Extended cover member - introducing for all in service

If the **policyholder** requests to **Unum** in writing that cover is to be continued under the **policy** for all in **service** after the **normal contractual retirement age**, cover is provided as follows:

- (a) An individual in **service** becomes an **extended cover member** and the level of **benefits** applicable on the day prior to the **normal contractual retirement age**, up to the **free cover limit**, are covered, provided the individual meets each of the following conditions:
 1. is within 3 months of the **normal contractual retirement age**;
 2. meets the **actively at work** requirements on the effective date of the change;
 3. has been continuously **actively at work** between the **normal contractual retirement age** and the effective date of the change; and

4. has not had **benefit** declined or restricted, or acceptance of **benefit** has been postponed.
- (b) If the individual does not meet all the requirements in (a)1., (a)2. and (a)3. above, then the individual is underwritten by **Unum** the same as a **discretionary entrant** as in paragraph 4.6.6.
- (c) If the individual does not meet the requirements in (a)4. above, then the individual does not become an **extended cover member**. However, where the decision was the result of medical underwriting never having taken place, the individual is underwritten by **Unum** the same as a **discretionary entrant** as in paragraph 4.6.6.
- (d) **Benefits** above the **free cover limit** will be medically underwritten and temporary cover pending underwriting does not apply.

Subsequent to the introduction of cover continuing under the **policy** for all in **service** after the **normal contractual retirement age**, underwriting of an **extended cover member** by **Unum** is the same as in paragraph 4.6.9 (**Extended cover member** - provided for all in **service**).

4.6.11 Not actively at work

A **candidate member** or **member** who is not **actively at work** will be treated as meeting the **actively at work** requirement when he has returned to work and been **actively working** for a continuous period of 10 working days (or if there are 20 **members** or more, is provided on the day he returns to work and is **actively working**).

The requirement to be **actively at work** is waived at the **commencement date** in respect of previously insured levels of **benefit**, if immediately prior to the **commencement date** the **benefits** in respect of the **members** were insured on an identical basis and there are 20 **members** or more.

The **actively at work** requirement is waived if there are 100 **members** or more. However, if the **benefits** in respect of the **members** were self-insured immediately prior to the **commencement date**, the **actively at work** requirement is waived only if there are 500 **members** or more.

The number of **members** is taken at the date the requirement to be **actively at work** applies.

4.7 Termination of membership

4.7.1 A **member** ceases to be a **member** on the earliest of the following:

- (a) The date he ceases to be an **employee** or **equity partner**, as appropriate.
- (b) The date he ceases to meet the **eligibility conditions** (other than any maximum entry age or **service** requirements). An **employee** remains a **member** in another **eligibility category** if they satisfy its conditions on ceasing to meet the conditions of their existing **eligibility category**.
- (c) The date he attains his **terminal age**.
- (d) The date he attains his **normal contractual retirement age**.
- (e) The date he dies (except for the purposes of paragraph 5.1).
- (f) The date his normal place of employment ceases to be in the United Kingdom, (subject always to paragraph 4.9). Working in the Channel Islands, the Isle of Man or Ireland will be regarded as ordinarily employed in the United Kingdom, provided his **employer** is registered in the United Kingdom, the Channel Islands or the Isle of Man.
- (g) The date the **policy** is terminated.

4.7.2 Notwithstanding 4.7.1 (a), (b) and (c) a **member** may continue to be a **member** under the **policy** if the circumstances provided for in **continuation of cover** apply to the **member**.

4.7.3 Notwithstanding 4.7.1 (d) a **member** may become an **extended cover member** subject to the conditions of paragraph 4.6.8, 4.6.9 or 4.6.10.

4.8 Temporary absence from work

4.8.1 A **member** who is temporarily absent from work:

- (a) due to ill-health will continue to be treated by **Unum** as a **member** for the purposes of this **policy** for the **temporary absence period** commencing from the first day of the absence but not exceeding their **normal contractual retirement age**.
- (b) on maternity leave, paternity leave, adoption leave, parental leave or any other form of statutory leave; will continue to be treated by **Unum** as a **member** for the purposes of this **policy** for the period of absence commencing from the first day of the absence but not exceeding their **normal contractual retirement age**. The period of absence must be taken in accordance with the relevant legislation for the type of leave, effective during the period of leave.

- (c) on unpaid leave, a sabbatical, compassionate leave or due to any reason other than in (a) or (b) above, may continue to be treated by **Unum** as a **member** for the purposes of this **policy** for a period of up to one month. Cover may be maintained for a period of up to 3 years but not exceeding their **normal contractual retirement age**, providing the **policyholder** obtains **Unum's** written consent in advance of the absence. Cover may be maintained for the period of absence subject to such terms and conditions as **Unum** may decide.

4.8.2 An **extended cover member** who is temporarily absent from work will continue to be treated by **Unum** as an **extended cover member** for the purposes of this **policy** for 1 year commencing from the first day of the absence, but not exceeding either the conclusion of their contract current on the day before the temporary absence or their attaining age 70, due to:

- (a) ill-health;
- (b) maternity leave, paternity leave, adoption leave, parental leave or any other form of statutory leave. The period of absence must be taken in accordance with the relevant legislation for the type of leave, effective during the period of leave;
- (c) on unpaid leave, a sabbatical, compassionate leave or due to any reason other than in (a) or (b) above, providing the **policyholder** obtains **Unum's** written consent in advance of the absence. Cover may be maintained for the period of absence subject to such terms and conditions as **Unum** may decide.

4.8.3 If **benefit** is based on **insured earnings**, the **insured earnings** on the day before the start of the **member's** absence will apply. However, for absence as in paragraph 4.8.1 (a) or (b) above, the **insured earnings** will be increased during the absence in line with any general pay increases made by the **employer** up to a maximum of 5.0% per annum compound. The **benefit** will not be increased above the greater of the **free cover limit** and the **member's** existing **benefits** accepted by **Unum**, applicable on the day before the start of the **member's** absence.

If **benefit** is a flat amount, the **benefit** payable is the **benefit** on the day before the start of the **member's** absence.

4.8.4 Cover will be maintained only if the **member** remains an **employee** or **equity partner**, as appropriate, during the period of absence.

Cover will cease for a **member** who does not return to work after the period of absence applicable under paragraph 4.8.1.

Re-admission after an absence longer than the period of absence applicable under paragraph 4.8.1 shall be subject to the same rules and conditions applicable to a new **member**.

4.9 Overseas cover and secondment

4.9.1 A **candidate member** or **member** who meets all the conditions for becoming and remaining a **member** except that his normal place of employment is not in the United Kingdom, is still eligible for membership if he satisfies (a) or (b) or (c) below.

- (a) He is an **employee** or an **equity partner** of a United Kingdom resident **employer** and is not seconded to another employer.
- (b) He is seconded from his United Kingdom resident **employer** to work for an overseas employer, and
 - 1. his **employer** retains control over where and for whom he will work, and
 - 2. the expected period of secondment does not exceed 3 years, and
 - 3. there is a definite expectation on the part of both the **employer** and the individual that at the end of the secondment he will resume employment with his **employer** or will be retiring (if the period of secondment is expected to extend to his retirement date).
- (c) He is seconded from his United Kingdom resident **employer** to work overseas with a subsidiary of the **employer**, or with a company which is controlled by the **employer** or is within the same group as the **employer**, and
 - 1. his **employer** retains control over where and for whom he will work, and
 - 2. the expected period of secondment does not exceed 10 years, and
 - 3. there is a definite expectation on the part of both the **employer** and the individual that at the end of the secondment he will resume employment with his **employer** or will be retiring (if the period of secondment is expected to extend to his retirement date).

4.9.2 A **member** who is seconded from his United Kingdom resident **employer** to work for another United Kingdom resident employer, whether his normal place of employment is in the United Kingdom or overseas, is still eligible for membership if:

- (a) his **employer** retains control over where and for whom he will work, and
- (b) the expected period of secondment does not exceed 10 years, and
- (c) there is a definite expectation on the part of both the **employer** and the individual that at the end of the secondment he will resume employment with his **employer** or will be retiring (if the period of secondment is expected to extend to his retirement date).

4.9.3 **Benefit** and **premium** in respect of a **member** who is overseas are payable in pounds sterling (or, if different, the lawful currency of the United Kingdom). Where a **member's insured earnings** are not paid in pounds sterling, any **benefit** will be calculated using the pounds sterling equivalent of the **member's insured earnings** at the preceding **policy accounting date**.

4.9.4 Re-admission after ceasing to meet any of the conditions under paragraph 4.9.1 or 4.9.2 shall be subject to the same rules and conditions applicable to a new **member**.

5. CLAIMING BENEFIT

This section explains about the payment of **benefit**, how much **benefit** will be paid and how a claim for **benefit** should be made.

5.1 Amount of benefit

Benefit is payable in respect of a **member** on the **member's** death. The amount of **benefit** payable in respect of a **member** is stated in the **schedule**.

5.2 Payment of benefit

5.2.1 The **benefit** payable in respect of a **member** shall be paid to the **trustee**, unless otherwise specifically provided in this **policy**.

The legal receipt by the **trustee** or by any person, persons or corporation authorised by the **trustee**, with the approval of **Unum**, of any monies paid by **Unum** under this **policy** shall be a good and sufficient discharge to **Unum**. **Unum** has no duty or obligation to see the application of any monies so paid.

5.2.3 **Benefit** is payable in pounds sterling or, if different, the lawful currency of the United Kingdom. Payment is made to an account or to an address of the **trustee** (which must be in the United Kingdom, the Channel Islands or the Isle of Man) as designated by the **trustee** in writing.

5.2.3 If the **policyholder** fails to pay the **premium** due under the **policy** in any **policy accounting period**, then **Unum** shall pay no **benefit** under this **policy** in respect of a **member** who died during such **policy accounting period**.

5.3 Notification and evidence required for a claim

5.3.1 Notification of death

The **policyholder** is required to notify **Unum** in writing within 90 days of the **member's** death.

If written notice of the **member's** death is not received within 90 days of the date of death, **Unum** shall have no liability to pay **benefit** in respect of the **member**.

A claim shall be submitted in the form requested by **Unum**.

Contact the Customer Care department for the appropriate forms on telephone number 01306 873243.

5.3.2 Evidence to be provided

The **policyholder** is required to provide to **Unum** all information requested by **Unum** to investigate the claim properly. This information may include such things as:

- (a) The **member's** original death certificate.
- (b) Proof of membership.
- (c) Proof of the **member's insured earnings**.
- (d) The **member's** original birth certificate.

If the date of birth previously notified to **Unum** proves incorrect, **Unum** may make whatever adjustment to the **benefit** or **premium** it considers appropriate to the circumstances.

5.4 Declining a claim after failure to comply

Failure to comply with the provisions of this section 5 may entitle **Unum** to decline a claim or take such other steps as are appropriate in the circumstances, which may include an adjustment of **benefit**.

5.5 Complaint against a claim decision

In the event of the claim decision not being to the **policyholder's** satisfaction, the **policyholder** may refer the matter to the Customer Feedback Department. This is a separate Department, independent of the Claims Department that will review the claim decision afresh and in line with **Unum's** complaint handling process. The Customer Feedback Department will issue **Unum's** final decision on the claim. If the **policyholder** remains dissatisfied, details of the Financial Ombudsman Service are provided, to whom the **policyholder** may escalate the matter (if eligible) within 6 months of the final decision being made.

6. CATASTROPHE LIMIT

This section explains about the payment of **benefits**, in the event of a catastrophe.

6.1 Maximum liability

The maximum liability of **Unum** in respect of this **policy** and all other policies insured by **Unum** for the **policyholder group**, for a death or a series of deaths (irrespective of the date and place of death) attributable directly or indirectly to a catastrophe shall be the **maximum liability limit** (total of **benefits** payable in the form of a lump sum and the capital value of **benefits** payable in the form of an annuity). **Unum** will calculate the capital value of **benefits** payable in the form of an annuity.

Policyholder group means the companies, entities, partnerships or pension fund trustees which are all part of the same group of companies, entities, partnerships or pension fund trustees as the **policyholder** during the period of this **policy** which includes but is not limited to the **policyholder** and its associated, subsidiary or affiliated companies, entities or partnerships and any pension fund trustees associated with the **policyholder** that may exist from time to time.

6.2 Catastrophe

A catastrophe shall be defined as one originating cause, event or occurrence or a series of related originating causes, events or occurrences, which results in more than one death, irrespective of the period of time or area over which such originating causes, events or occurrences take place. **Unum** shall be the sole judge as to what constitutes a catastrophe.

6.3 Allocation of benefits

Allocation of **benefits** under this **policy** resulting from a death or a series of deaths attributable directly or indirectly to a catastrophe and thus subject to the **maximum liability limit**, shall be in the chronological order of the dates upon which written notification of each death claim is received by **Unum** provided always that **Unum's** liability in respect of all such claims under the **policyholder group** shall not exceed the **maximum liability limit**. Insofar as more than one such written notification is received by **Unum** on the same day and in a total amount that would cause the **maximum liability limit** to be exceeded, **Unum** shall be entitled in its sole discretion to pay such claims on a reduced pro rata basis according to the remaining balance of the **maximum liability limit** such that **Unum's** total liability for such claims under the **policyholder group** shall not exceed the **maximum liability limit**.

7. AMENDMENT AND TERMINATION

This section contains provisions relating to the amendment or termination of the **policy**.

7.1 Terms of **policy**

Unum reserves the right to vary the terms and conditions of this **policy** at any time the **premium rate** is revised in accordance with paragraph 3.5 or from the **policy review date**.

Unum will give the **policyholder** 1 month's notice in writing in advance of the revised terms and conditions, unless this is not practicable in which case **Unum** will give as much notice as is possible in the circumstances.

The revision of the terms and conditions of this **policy** does not constitute a new contract but takes effect as a continuation of this **policy**, subject to the revised terms and conditions.

7.2 Amendment of the **policy**

The **policyholder** can request this **policy** be amended at any time. **Unum** may in its discretion consider amending the **policy** subject to the **policyholder** providing all information required by **Unum** to give the request consideration.

If **Unum** agrees to amend the **policy** then **Unum** will advise the **policyholder** in writing of the revised terms and conditions. The **policyholder** must confirm acceptance to **Unum** in writing of the revised terms and conditions as advised by **Unum**, though payment of the required premiums by the **policyholder** will be treated by **Unum** as acceptance of the revised terms and conditions as advised by **Unum**.

Amendment of the **policy** for any reason cannot pre-date the date of the **policyholder's** written acceptance of the revised terms and conditions advised by **Unum**, except at the sole discretion of **Unum**.

Unum can amend the **policy** in accordance with paragraph 3.1.2 or 4.2.4.

If the **policy** is amended the entitlement to **benefit** in respect of a **member** who died prior to the amendment will be paid in accordance with the **policy conditions** applicable at the date of death.

7.3 Termination of the **policy**

The **policyholder** will be entitled to terminate this **policy** at any time by giving **Unum** notice in writing in advance.

Termination of the **policy** for any reason cannot pre-date the date of the **policyholder's** written notification of the termination of the **policy**, except at the sole discretion of **Unum**.

Unum is entitled to terminate the **policy** in accordance with paragraphs 3.1.2, 3.6, 4.2.4, 7.4, 7.6 and 7.7.

The **policyholder** shall be required by **Unum** to provide information as at the date of termination in order to determine the **premium** payable in connection with the termination. If this information is not provided within 1 month of its being requested, **Unum** shall determine what **premium** is payable having regard to the information then available, and any sum or sums which had been payable to **Unum** shall remain payable.

If the **policy** is terminated the entitlement to **benefit** in respect of a **member** who died prior to the termination will be paid in accordance with the **policy conditions** applicable at the date of death.

If the **policy** is terminated, no further **candidate member** shall become a **member** after the date of termination.

7.4 Cessation of business of the **employer**

7.4.1 In the event that the **employer**, stated in the **schedule**, ceases to carry on business, or if an order is made or a resolution passed for the winding up of that **employer** then the insurance under this **policy** shall terminate and the provisions of paragraph 7.3 will apply.

7.4.2 If the business of the **employer**, stated in the **schedule**, is assigned to or succeeded to by another person, and the new person undertakes all the duties and responsibilities of the **employer**, then provided **Unum** receives written notification and evidence of the assignment or succession which **Unum** confirms in writing as being satisfactory, the new person may continue the payment of **premium** under this **policy**. In this case, the new person or organisation shall take the place of and be treated for all the purposes of this **policy** as the **employer** stated in the **schedule**, from the date that the assignment or succession takes place.

7.5 A participating **employer** ceasing business

In the event that an **employer**, other than the **employer** stated in the **schedule**, ceases to carry on business or the business is assigned or succeeded to as described in paragraph 7.4, the provisions of that paragraph will apply to all **members** who were employed by that **employer** immediately prior to that event.

7.6 Minimum membership under the **policy**

This **policy** is issued on the basis that the minimum number of **members** under the **policy** is 5 (or such other number of **members** as notified in writing by **Unum** to the **policyholder**). The **policyholder** undertakes to notify **Unum** in writing as soon as reasonably practicable after becoming aware that the number of **members** is to fall or has fallen below the minimum number of **members**.

Unum may in its discretion terminate the **policy** from the **policy accounting date** immediately following the number of **members** falling below the prevailing minimum number of **members**.

7.7 Amendment or termination of an **associated policy**

Unum has the right to terminate this **policy** or vary the terms, conditions and **premium rate** of this **policy** if any of the **associated policies** are terminated or amended, or if the policyholder of an **associated policy** fails to pay premiums under the **associated policy**.

7.8 Reinstatement of the **policy**

If the **policy** has been terminated it may be reinstated by **Unum**, provided that:

- (a) in relation to a **member** to whom cover under the **policy** in excess of the **free cover limit** applies, reinstatement of the **policy** shall be subject to the acceptance of such evidence of insurability as may be required by **Unum**;
- (b) reinstatement of a **member** shall be subject to him being **actively at work** on the date of reinstatement;
- (c) the **premium rate** may be revised with effect from the date of reinstatement;
- (d) **Unum** shall not be liable for any claims whatsoever arising during the period from the date of termination to the date of reinstatement; and
- (e) payment has been made to **Unum** of such **premium** and any other charges which remain unpaid, including interest, from the date on which the **policy** is deemed to have been reinstated.

If **Unum** agrees to reinstate the **policy** then **Unum** will advise the **policyholder** in writing of the revised terms and conditions. The **policyholder** must confirm acceptance to **Unum** in writing of the terms and conditions as advised by **Unum**.

Unum reserves the right to refuse to reinstate the **policy**.

8. MISCELLANEOUS

This section contains miscellaneous provisions relating to the **policy**.

8.1 Ability to terminate a member's employment

Payments in respect of the death of a **member** are made without thereby admitting any legal liability in respect of such death on the part of the **policyholder** and **employer** and nothing in this **policy** shall be taken to prejudice any right of an **employer** to terminate a **member's** employment or to create any obligation between the **employer** and **member** to keep the **member** in employment.

8.2 Law

The **policy** is to be construed and governed in accordance with English Law and any dispute shall be subject to the exclusive jurisdiction of the English Courts.

8.3 Special circumstances

8.4 Basis of the contract

The **policy** is issued on the basis of the information provided in the quotation request or specification and the application form completed by the **policyholder**, in addition to any questionnaire completed by a **member**.

No provision or condition of the **policy** may be waived or modified except by an endorsement issued by **Unum** and signed by an authorised official of **Unum**.
